

SAMEERA UDESH

IT Officer | Full-Stack Developer | Software Engineer

sameeraudesh75@gmail.com | 0776314894 | Litiltan watta Rd, Waskaduwa | [linkedin.com/in/sameera-udesh-460448273](https://www.linkedin.com/in/sameera-udesh-460448273)

PROFESSIONAL SUMMARY

Results-driven **IT professional and Full-Stack Developer** with hands-on experience in software development, system integration, end-user support, and database management. Fluent in **English and Sinhala**, with strong communication and interpersonal skills. Currently pursuing a **Bachelor of Information Technology at the University of Moratuwa**. Adept at troubleshooting hardware, software, and network issues, and comfortable working in a dynamic, shift-based, multicultural environment. Passionate about leveraging technology to deliver reliable, efficient IT solutions.

KEY COMPETENCIES

- End-User IT Support & Troubleshooting
- Database Management (SQL, MongoDB)
- Strong Communication (English & Sinhala)
- Hardware, Software & Network Support
- RESTful API Development & Integration
- Agile / Scrum Team Collaboration
- System Installation & Configuration
- Responsive Web & Mobile Development
- Quick Learner — Shift-Ready & Flexible

TECHNICAL SKILLS

Languages	Java, C#, Python, SQL, JavaScript, TypeScript, HTML, CSS
Frameworks	React, Angular, Spring Boot, Node.js, React Native, Express.js, ASTRO
Databases	Microsoft SQL Server, PostgreSQL, MySQL, MongoDB, Firebase
IT Tools	GitHub, Figma, IntelliJ IDEA, Postman, Expo, Tomcat, REST APIs
Networking	TCP/IP fundamentals, API integration, system troubleshooting
Languages	English (Fluent), Sinhala (Native)

PROFESSIONAL EXPERIENCE

Associate Software Engineer

Mar 2025 – Present

Seekers Cloud

- Provided technical support and troubleshooting for application issues, liaising between end-users and backend teams to resolve software and system problems efficiently.
- Developed and maintained responsive web interfaces using Angular and React, integrating with backend APIs and databases to ensure seamless system operation.
- Performed system configuration, API integrations, and performance optimizations ensuring high availability of production applications.
- Collaborated in Agile teams with strong written and verbal communication across cross-functional groups in a fast-paced environment.
- Supported database management tasks including SQL queries, data modeling, and system monitoring using Java, Spring Boot, and SQL.

Intern Software Developer

Sep 2024 – Mar 2025

Seekers Cloud

- Assisted in diagnosing and resolving software defects and API integration issues, simulating real-world IT support scenarios.
- Built RESTful APIs and implemented business logic using Java and Spring Boot, supporting backend system stability.
- Developed responsive UI components with React and Angular, ensuring smooth end-user experience across devices.
- Performed SQL-based data modeling, querying, and optimization tasks to maintain database performance and integrity.

EDUCATION

Bachelor of Information Technology (Diploma Level Completed)

Mar 2024 – Present

University of Moratuwa

GPA: 3.23

Advanced Level – Science Stream

Mar 2012 – Aug 2014

Nalanda College Colombo 10

KEY PROJECTS

E-medi Hospital Mgmt

Angular · React · Node.js · Express.js · Tailwind CSS

Hospital IT platform supporting patient records, appointments, pharmacy, and admin workflows — directly relevant to IT operations support in enterprise environments.

Agent Mobile App

Java · TypeScript · React Native · Spring Boot

Business registration & ERP integration app with real-time location detection, secure authentication, and on-site data capture — mirrors field IT support scenarios.

Developers Stack Web

Angular · TypeScript · Spring Boot · HTML/CSS

Enterprise-scale web LMS integrating 15 core services; managed system performance, scalability, and end-user interface quality.

Future Bound Web App

Angular · Java · Spring Boot · TypeScript

Full-stack educational platform with secure role-based access, API integrations, and responsive UI for diverse user groups.

Developer Stack Mobile

TypeScript · React Native · Spring Boot

Mobile LMS with video, quizzes, code labs, and progress tracking — demonstrates end-to-end system delivery and user support thinking.

PROFESSIONAL CERTIFICATIONS

- Full-Stack Master Developer — Developer Stack
- Trainee Software Developer — Developer Stack
- ICET Master Developer — Institute of Computer Engineering Technology
- Comprehensive Master Java Developer — Institute of Software Engineering
- Python Programming — Evotech Education

ADDITIONAL INFORMATION

Languages Spoken: English (Fluent), Sinhala (Native)
